We are pleased to welcome you again to our garden, either in person or by our latest catalogue. Your visit or your order will receive our personal attention.

Our 1956 Introductions

DONALYN

(WEED selector for JONES) M. 38" (Dogrose x Melitza) x Floradora. Large flaring and slightly ruffled self of bright apricot. Flowers are of strong substance and well spaced on the sturdy stalks.

\$15.00

HAPPY

Weed 1956) M 38" (Lady Naomi x Copper Pink) Large crisp textured plicata. The white background is heavily trimmed with purple. Very strong and well branched stalks.

\$15.00

MARTI SUE *Three Colors x Pink Cameo*

(Weed 1956) M 38" (~~Lady Naomi x Copper Pink~~) Large crisp textured plants that have very heavy substance. Lovely pink flowers with shadings of buff on the falls. Heavy tangerine beard.

\$15.00

MAKE YOUR OWN COLLECTIONS

On all varieties in this catalog, WITH EXCEPTION OF THOSE MARKED NET, you may add the total amount of your collection, then deduct one third and send us the balance, or two thirds of the amount, as illustrated:

For \$3.00 you may choose a total of \$4.50 worth of Iris

For \$5.00 you may choose a total of \$7.50 worth of Iris

For \$10.00 you may choose a total of \$15.00 worth of Iris

For \$14.00 you may choose a total of \$22.50 worth of Iris

You may also specify your choice of gift iris which you wish us to include.

We will decide from the total amount of your order the varieties and number of gift iris you will be entitled to. PLEASE DO NOT REQUEST VARIETIES MARKED NET. We will ship your choice if possible.

Sincerely,
MRS. HOWARD WEED

REMITTANCE by check, money order or draft please. Orders are filled from July first until late Fall in the sequence received, unless a certain arrival time is given. Rhizomes guaranteed to arrive in healthy condition and all are state inspected. Shipments of \$3.00 and over will be postpaid. For orders under \$3.00, please add 50c for postage.

ALL 60c VARIETIES, YOUR CHOICE OF 10, ONE
OF A VARIETY FOR \$3.00

IRIS CULTURE

Iris are one of the easiest perennials to grow, requiring very little attention, but invariably responding to any extra attention given them.

Sunny, well drained soil is best for planting. Work the ground loosely to a depth of about 10 inches, spread the roots of the rhizome, and plant just under the surface, tamping the soil down firmly. Water well after planting and remember not to plant deep as Iris like sunlight. In heavy soils, work in a little sand around the plant.

Do not over-fertilize. Bonemeal is always good or use any balanced plant food, sparingly and not next to rhizome. Try to maintain an even balance between the acid and alkaline factors in your soil as, generally speaking, Iris prefer a neutral soil.
